Please note:

The 2021 Toyota SASAPD Championships are able to go ahead as the federation and LOC have committed to meeting the government set COVID-19 safety protocols.

To this end, you will be required to sign in at each venue and hand in a completed health questionnaire.

The main media centre is situated at Westbourne oval, central PE but the federation media liaison will be available on 064 552 0647 for any queries from any of the venues.

Please note, the media bibs that are handed to you to give you access to the playing area must be returned.

Masks are to be worn at all times by interviewers but may be removed for interviewees who are 1.5 m from the camera.

Please tag the federation social media when publishing articles or images @SASAPD on Facebook, Twitter and Instagram
